Mark your calendar: Homework Club

<u>Tuesdays and Wednesdays</u>, bring your books and join Ms. Corr (Room 217) from 1515 to 1715 for help with language arts, social studies, or foreign languages, or just to have a quiet place to work.

<u>Wednesdays and Thursdays</u>, bring your books and brain to Mr. Jordan's room (212) from 1515 to 1715 for help in math and science, or just to find a quiet place to work.

***<u>Who can come?</u>* Any high school student who needs a little help or extra study time is welcome. No reservation is needed; just show up prepared to work.**

***<u>When does Homework Club meet?</u>* Due to bus schedules, plan to stay from 1515 to 1715. On Wednesdays you can spend half the time with each teacher if you need help in different areas.**

***<u>What should I bring?</u>* Bring textbook, assignment information or rubric, computer, power cord, pen or pencil, and enough assignments to work on for two hours.**

***<u>What do I get?</u>* You get a signed slip to show your parents, and you get two hours' worth of homework completed in the best setting available. Best of all, you'll get better grades when you make that extra effort.**
