Major Achievements:

The SAC developed an official email address to enhance methods of communication.

The SAC developed a website to provide accessible and convenient school and SAC-related information to community members.

Concerns:

The SAC received a very low number of contacts from community parents. Recommend review and modification of current outreach measures.

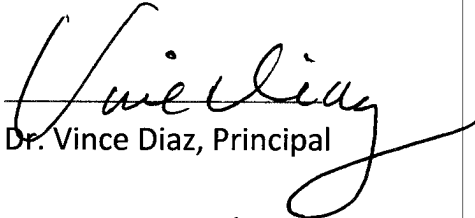

The SAC could improve website maintenance, seeking methods to draw curiosity and invite visitors.

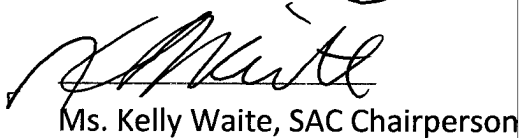

Additional Comments:

All SAC committee members have reached the end of term or are relocating this summer. Early attempts to form an election have resulted in 1 self-nomination. The SAC will continue recruitment in the fall, 2013.
